WELCOME IGS!

Weather:
Boulder is 5,430 feet in elevation and has a sunny, semi-arid climate. Hydrating during your stay is very important, as altitude sickness (headache, nausea, shortness of breath, dizziness, and tiredness) can occur. Weather conditions can change rapidly throughout each day and from day to day. Bring sunscreen, lipstick/lip moisturizer, a hat, walking shoes, and layers for cooler evenings.

Internet Access:
- Access wireless service on campus by selecting UCB Guest Wireless from your available Wi-Fi network options and accepting the terms and conditions upon opening your web browser. You will be prompted to re-accept these terms and conditions periodically.
- If you encounter difficulty accessing the Internet, call 303-735-HELP (4357) or email help@colorado.edu for assistance during their business hours.
- Check firewalls or security settings on your computer that could possibly complicate accessing the campus Wi-Fi system before you arrive.

Parking:
- Parking is by permit or credit card pay-to-park machines. Participants are responsible for reading and adhering to all posted parking policies and paying accordingly. Read all signage when entering a lot to ensure you are parking in the correct lot. Individual requirements exist for each lot based on day and time. Visit the following link for more information: www.colorado.edu/pts.
- A limited number of parking permits are available at registration for $25 for the RG zone at the corner of Regent Dr. and Colorado Ave. Payments can be made by credit card.
- Check your vehicle periodically in case vehicles need to be moved due to lot renovations or storm environmental damage.

Parking Citations:
Parking in incorrect lots or without a valid permit or proper payment can result in parking citations or possible towing. Associated fees are the responsibility of the person operating the vehicle. Parking citations must be paid or appealed within 14 calendar days of the issue date. Appeals must be filed before the closing of the PTS office on the 14th day after the date of the issuance of the citation. Pay your citation online: www.colorado.edu/pts/citations

Alcohol & Drug Policy:
The University of Colorado Boulder is committed to excellence in all aspects of personal and academic life. We recognize that alcohol abuse and misuse is a significant impediment to achieving this excellence. Therefore, CU-Boulder permits only the responsible, legal consumption of alcohol. The university complies with all federal, state, and local laws concerning alcohol and illegal drugs.

Laws Related to Alcohol & Drug Use:
Persons under 21 years of age cannot legally possess or consume alcoholic beverages. The furnishing of alcoholic beverages to underage persons is prohibited. Individuals who are of legal drinking age may possess and consume alcohol only in the privacy of their room with the door closed in their assigned residence hall room or at official conference catered events. Marijuana remains a controlled substance under the federal Controlled Substance Act and, accordingly, is Illegal. Any participant who involves themselves in the use of possession of Illegal drugs are subject to the campus’s request to depart the premises and, upon request, shall leave the premises.
