

**INTERNATIONAL GLACIOLOGICAL SOCIETY**Nominations for election to the Council 2019–2022

After due consideration by the Nominating Committee and Council, the following people have been nominated for the 2021–2024 Council vacancies.

The selection has been made after consideration of the spread of subject specialities, nationalities and age groups.

Members of the Society may nominate other members if they wish, provided they obtain the written agreement of their nominee and provided the nominations are supported by 10 members of the Society. The nominations need to be submitted to the IGS office by 1 October, 2021.

27 August 2021

Magnús Már Magnússon, Secretary General,  
International Glaciological Society,  
High Cross, Madingley Road, Cambridge CB3 0ET.
